Further note regarding the lino blocks:

1. If anyone brings the soft, thick, double sided 'lino' blocks, they can't be used so it is really important that participants are very clear about the lino needed for the workshop.
2. If there are 2 friends doing the workshop together, buy the 30cm x 30cm hessian backed lino and go halves in the cost. Lisa can cut it to size on the day of the workshop. (MUST BE HESSIAN AND THIN BLOCK).
