

Atmospheric perspective/Maxine Wade

VENICE/Sargent

Australian landscape photo/atmospheric

THURSDAY 9 JULY 2026

10:00 AM TO 3:30 PM

LEARNING FROM THE MASTERS

with MAXINE WADE

Through some examples of the great masters **John Singer Sargent** and **JMW Turner** we will examine their marvellous **watercolour techniques** to improve your own painting and elevate your understanding of the medium of watercolour. In the course of the study will revise wash techniques, study of values, colour mixing, perspective and atmospheric perspective, compositional devices, angle of viewpoint, the use and application of various type soft brushes, paper type and format. We will emulate their techniques & processes and we will **create 2 paintings** that put their practices into action.

Material list: see separate document on-line
